Supplement 1. Screenshot of the REDCap Electronic Summative Subjective Evaluation Tool

Please complete the evaluation below.

Thank you!

Please enter student's name.

_____

Please enter preceptor name.

_____

Do you want to complete this evaluation at this time?
○ Yes
○ No

Please provide a reason why you do not want to complete this evaluation at this time.
☐ I do not feel that I had enough time with this student to complete an evaluation
☐ I do not feel that I have time right now, but please send me the Oasis Clinical Assessment evaluation form later this week
☐ Other

Keeping in mind this clerkship student's level of training, please indicate the student's demonstration of the following behaviors below.

KNOWLEDGE FOR PRACTICE:

Based on this student's level of training, indicate this student's demonstration of his/her use of appropriate medical science concepts (basic and clinical sciences) to justify his/her diagnostic decisions and treatment plans.

○ 1= Struggles to recall basic knowledge of biomedical concepts even with prompting
○ 2= Recalls basic knowledge of biomedical concepts with significant prompting. Recognizes normal and abnormal states. Unable to connect biomedical sciences to the patient case.
○ 3= Recalls basic knowledge of biomedical concepts when prompted. Superficially connects biomedical sciences to diagnostic and therapeutic decision making.
○ 4= Explains biomedical concepts with little prompting. Is able to apply this knowledge to diagnostic and therapeutic decision making.
○ 5= Independently explains biomedical science concepts. Routinely applies knowledge to diagnostic and therapeutic decision making.
○ N/A= I did not have sufficient interaction with this student to assess this behavior

Please provide comments:

_____

HISTORY AND PHYSICAL EXAM:

Based on this student's level of training, indicate this student's demonstration of his/her ability to gather essential and accurate information about patients and their conditions through history-taking and physical examination.

○ 1= Significant gaps in history and exam skills. Relies solely on external data sources (medical record, nursing notes, etc.)
○ 2= Requires substantial guidance to obtain relevant details. Incorrectly performs exam maneuvers despite feedback.
○ 3= Able to conduct a basic history and exam. Several omissions of relevant HPI/PMH/PSH/FH/SH.
○ 4= Accurate, reliable and efficient but may need guidance in selecting a focused or complete strategy. Includes most of the relevant HPI/PMH/PSH/FH/SH and ROS.
○ 5= Accurate, reliable and efficient. Appropriately selects focused or complete history and exam strategy. Includes all relevant HPI/PMH/PSH/FH/SH and ROS.
○ N/A= I did not have sufficient interaction with this student to assess this behavior
